Subject: Cancellation of Network Operator Services, Inc.'s CC&N Docket No. T-02679A

T-02679A-15-0140

Dear Lori,

I am authorized by my employer, Network Operator Services, Inc., to request the cancellation of Network Operator Services, Inc.'s Alternative Operator Services and Resold Long Distance Services Certificate of Convenience and Necessity ("CC&N"). The Company is no longer providing any telecommunications services or doing business in Arizona. We stopped doing business and providing alternative operator services and long distance telecommunications services in Arizona not later than December 31, 2013. Network Operator Services, Inc. has no employees, facilities or assets in Arizona. Please cancel the Certificate of Convenience and Necessity under Docket No. T-02679A.

In addition, I would like to formally request that under Arizona Administrative Rule R14-2-1107(A)(1), we be granted a waiver from providing direct notice of discontinuance of service to customers and a waiver from R14-2-1107(B) - published legal notice of the application in all counties affected by the application. Since Network Operator Services, Inc. has no customers, there are no customers to provide direct notice of discontinuance of service to and as there are no customers, no counties are affected by this application.

Thank you for your assistance in this matter,

Susan P. Freeman
